Workshop on “Mindfulness and Emotional Wellness on 09 Sep, 2025

The workshop was organized to promote mental health awareness among students. The session began with an introduction to mindfulness, defined as being present and aware without judgment, and emotional wellness, which focuses on caring for emotional health, managing stress, and nurturing inner well-being. The

resource person, Mrs. Pavithra Shetty, highlighted the benefits of mindfulness, such as reducing anxiety, improving concentration, and enhancing emotional balance. Practical techniques like meditation, mindful eating, deep breathing, and body scan meditation were demonstrated. The session also addressed common challenges faced by students, including indecision,

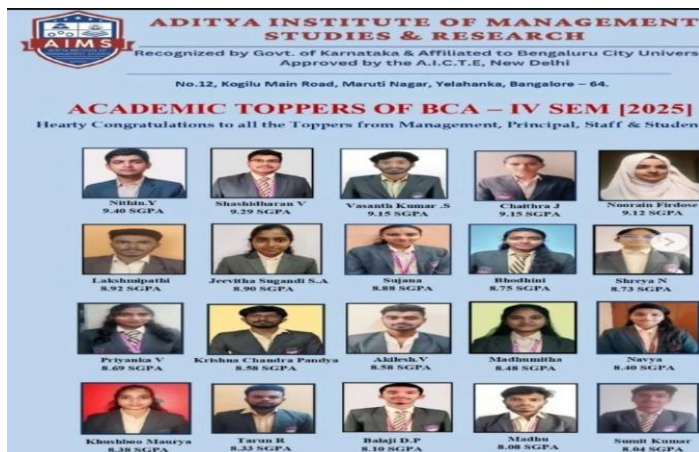

procrastination, time management, and identity-related concerns. A key part of the workshop was the discussion on Emotional Quotient (EQ), explained through its five pillars: self-awareness, self-regulation, motivation, empathy, and social skills. Students were encouraged to strengthen their EQ through reflective practices like journaling, pausing before reacting,

active listening, and seeking feedback. In conclusion, the workshop provided valuable insights into cultivating mindfulness and emotional wellness, equipping students with practical tools to manage stress, improve **Academic Excellence 2025** Aditya Institute of Management Studies celebrating excellence. Engineer's Day 15 September 2025

The Department of Kannada organized a study visit to the Sir M. Vishveshvaraiah Museum, Muddenahalli, on the occasion of the birth anniversary of him. Students from 2nd year B.Com, BBA, Aviation, and BCA (Kannada) actively participated in the visit. The study tour provided students with a unique opportunity to explore the life, contributions, and enduring legacy of Sir M. Vishvesharaiah — one of

India's most celebrated engineers and visionaries. Nestled in the serene hills of Muddenahalli, the museum offers an inspiring journey through history, showcasing the remarkable achievements, innovations, and contributions of Sir M. Vishveshvaraiah to the nation. The visit was both educational and motivating, encouraging students to appreciate the importance of innovation, discipline, and dedication in shaping society.
