Academic/ Co-Curricular/Extra-Curricular Activities and Achievements

From Vision to Victory-Champions at Innovex 2.0. 4 & 5 May 2026

Aditya Institute of Management Studies and Research proudly celebrates the outstanding achievement of our talented students at *Innovex 2.0*, an intercollegiate event organized by Dr. Manmohan Singh Bengaluru City University on 4th & 5th May 2026. Heartiest congratulations to Mr. Nithin P and Mr. Punith Kumar of BBA IV Semester for securing First Place in the

Start-up Pitch Competition and winning a cash prize of ₹2,000. Their innovative thinking, impactful presentation, exceptional teamwork, and entrepreneurial mindset truly distinguished them among participants from various institutions. This remarkable accomplishment reflects the culture of innovation, leadership, and academic excellence nurtured at AIMS&R.

Campus Placement Drive 7 May 2026.

The Placement Drive was organized by the Placement Cell in association with Talenty Consulting. The drive was conducted for BBA and B.Com final year students with the objective of providing career opportunities and industry exposure to aspiring graduates. The recruitment process offered opportunities in professional roles such as Operations, Business Development, and Sales & Marketing Executive. Students actively

participated in the recruitment rounds and showcased their communication skills, confidence, analytical thinking, and professional aptitude throughout the drive. The placement drive served as a valuable platform for students to interact with recruiters, understand corporate expectations, and gain practical exposure to real-time recruitment procedures.

Academic Excellence 2025-26

Aditya Institute of Management Studies and Research proudly celebrates an outstanding milestone of achieving 100% Results in the BBA Course for the academic year 2025–26. Heartiest congratulations to all the students of B.Com & BBA (General) – V Semester for their remarkable academic performance, unwavering dedication, perseverance, and hard work. Your commitment to excellence and determination to succeed have brought immense pride and honor to the entire AIMS family. This

achievement reflects the students' consistent efforts, guidance and support of our dedicated faculty members and mentors who continuously inspire academic growth and excellence. This success story stands as a true inspiration to fellow students and a testament to the institution's commitment to quality education and holistic development. Wishing all our achievers a bright, successful, and prosperous future.

World Red Cross Day Celebration 8 May 2026.

Aditya Institute of Management Studies and Research successfully organized a Poster Making Competition on the occasion of World Red Cross Day under the theme “United in Humanity”. The event was conducted as an initiative of IQAC & Youth Red Cross Society in association with Indian Red Cross Society. Students enthusiastically participated and showcased their creativity on themes related to humanity, compassion, unity, service, and social welfare. The competition

aimed to spread awareness about the values and principles of the Red Cross movement while encouraging students to express meaningful social messages through art. Each poster beautifully reflected the importance of kindness, empathy, and helping others in society. The programme concluded successfully with active participation and support from students and faculty members, making the celebration meaningful, memorable, and impactful.

Student's Corner

The Season of Exams. Exams- the very word brings a mix of emotions. For some, it is a time of determination and ambition; for others, it arrives with sleepless nights, endless notes, and cups of coffee. Yet, beyond marks and grades, exams are a reminder of growth, discipline, and resilience. College corridors become quieter during this season. Libraries turn into second homes, group discussions replace casual conversations, and students begin measuring time in chapters, assignments, and revision schedules. Every page turned reflects hard work, dedication, and the dream of achieving something meaningful. But exams are not merely a test of memory. They teach us patience when results take time, confidence when challenges appear difficult, and courage when pressure feels overwhelming. They remind us that success is not only about scoring the highest marks, but also about learning, improving, and believing in ourselves.
