Academic/ Co-Curricular/Extra-Curricular Activities and Achievements

Aditya Institute of Management Studies proudly celebrated World Environment Day on 05 June 2026 at Government Primary High School (GPHS), Kogilu, Yelahanka, Bengaluru. The event was organized by the NSS and YRC forums under the theme *"Inspired by Nature. For Climate. For Our Future."*

The celebration aimed to create awareness among school children about environmental conservation and the importance of protecting natural resources. MBA students actively participated in organizing and conducting various educational and cultural activities that highlighted the significance of preserving nature for a sustainable future.

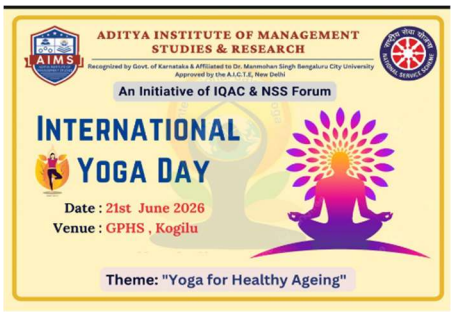

The program commenced with an Invocation Song followed by a Welcome Address. A special speech on World Environment Day was delivered to educate students about environmental challenges and the role of individuals in safeguarding the environment. A thought-provoking skit depicting the importance of trees, the Earth, and rivers was presented by the students. Faculty members also contributed by performing songs carrying messages of environmental awareness.

To encourage participation and engagement, fun-filled activities such as Musical Chairs were organized for the school children. An Environmental Pledge was administered to inspire students to adopt eco-friendly practices in their daily lives. As part of the outreach initiative, stationery items were distributed to all students. Refreshments were served, and the program concluded with a Vote of Thanks.

Aditya Institute of Management Studies and Research, in association with the National Service Scheme (NSS) and the Youth Red Cross (YRC), organized "Sharing is Caring" on 29th June 2026 at Sneha Jeevi Ashram, Kogilu, Yelahanka.

The event was organized with the objective of promoting compassion, empathy, and social responsibility by extending care and support to the elderly residents of the ashram. Faculty members, NSS and YRC coordinators, along with enthusiastic student volunteers, actively participated in the humanitarian initiative.

As part of the outreach program, the institute donated essential provisionary items including rice, pulses, cooking oil, sugar, biscuits, toiletries, and other daily-use necessities to support the residents of the ashram. The provisions were handed over to the ashram authorities, who expressed their sincere appreciation for the thoughtful gesture.

To bring joy and create lasting memories, the students organized a variety of engaging cultural and recreational activities for the elderly. These included singing, group interactions, games, storytelling, and light entertainment, encouraging active participation from the residents. The students also spent quality time interacting with the elderly, listening to their experiences, and sharing moments of warmth and companionship. The activities filled the atmosphere with happiness, smiles, and a sense of togetherness.

The program concluded with a heartfelt vote of thanks, expressing gratitude to the management of

Report on Live Telecast of International Day Against Drug Abuse and Illicit Trafficking Awareness Program

As per the circular issued by Bengaluru City University, Aditya Institute of Management Studies and Research organized the live telecast of the International Day Against Drug Abuse and Illicit Trafficking Awareness Program on 30 June 2026 for the MBA students. The program was projected in the Seminar Hall to create awareness among students about the harmful effects of drug abuse and the importance of building a drug-free society.

The live programme, organized by the Government of Karnataka, highlighted the growing concern of substance abuse among youth and emphasized the collective responsibility of educational institutions, families, and society in preventing drug addiction. The Hon'ble Chief Minister and other dignitaries addressed the gathering and encouraged students to stay away from narcotic substances and become ambassadors of awareness in their communities.

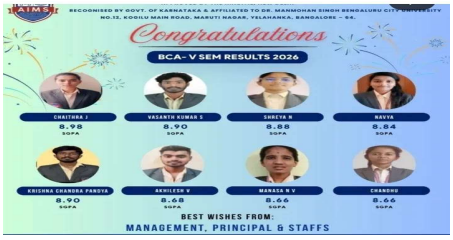

During the session, students gained valuable insights into the physical, psychological, social, and legal consequences of drug abuse. The program also stressed the importance of healthy lifestyles, positive peer influence, mental well-being, and timely intervention in combating substance abuse. Students actively watched the live telecast with great interest and understood the significance of making informed choices and promoting a drug-free environment.

The awareness programme served as an educational initiative that reinforced the institute's commitment to nurturing socially responsible and health-conscious future managers. The session concluded with students taking a collective pledge to reject drug abuse and contribute towards building a safer and healthier society.
